THE AMERICAN'S FRIEND!
HOLLOWAY'S PILLS!

TO THE CITIZENS OF THE UNITED STATES—

I most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Ancestors were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York. THOMAS HOLLOWAY,
38, corner of Ann and Nassau Streets, N. Y.

PURIFICATION OF THE BLOOD AND LIVER AND BILIOUS COMPLAINTS.

The citizens of the Union suffer much from disorders of the Liver and Stomach. Scarcely any are free from the influence of these destructive maladies. Hence life wears fast. The fair sex, perhaps the most handsome in the world, up to a certain period, when, distressing to say, many lose their teeth and good looks while yet in the hey day of life. Such sad evils may be effectually remedied by continually keeping the blood pure and the Liver and Stomach in a healthy action when life will flow smoothly, and resemble plants in a congenial clime, where an eternal spring appears to reign. As it regards the preservation of the human frame, and the duration of life, much may be effected, and I say fearlessly, that health and life can be prolonged for many years beyond their ordinary limits, if Holloway's Pills are taken to purify the blood according to the rules laid down for health contained in the directions which accompany each box.

A CASE OF WEAKNESS AND DEBILITY OF TEN YEARS STANDING, CURED BY HOLLOWAY'S PILLS.

Copy of a Letter from Capt. John Johnson, Astor House, New York, dated Jan. 5th, 1854

To PROFESSOR HOLLOWAY, 38, corner of Ann and Nassau streets, New York—

SIR—It is with the most heartfelt pleasure I have to inform you that I have been restored to health and strength by taking your Pills. For the last ten years, I suffered from a derangement of the Liver and Stomach, and was reduced to such an extremity that I gave up my Ship, never expecting to go to sea any more as I had tried every remedy that was recommended to me, but all to no purpose; and had given myself up to despair, when I was at last recommended to take your Pills. After using them for three months the result is that I am now in better health than I have been for eleven years past, and indeed as well as ever I was in my life. You are at liberty to make this known for the benefit of others.

I remain, Sir, yours respectfully,
(Signed) JOHN JOHNSON.

INDIANA FREE BANKS.—We are glad to observe a tendency towards a "crisis" in regard to Indiana bills. For some time past we have felt, whenever touching one of these bank notes, that we should get our fingers burnt. The community are in something the same fix as the man with the wolf by the ears—they cannot safely hold on nor let go. A few days since we noticed that the Cincinnati Banks had refused the whole "batch" of Free Bank bills. Last night we learned from Chicago that the banks of that city had done the same, with the exception of the State Bank. We do not know that a single cent will be lost to the bill-holders, in any event, but the continued uncertainty of the solvency of these banks renders them pretty hard currency, even in hard times. We hope the Wisconsin banks, and business men, will either kick the stuff out of the State or restore confidence.

"THE DEMOCRACY" is the name of a progressive Whig newspaper, published in Buffalo. The Albany *Argus* calls it a pirate, sailing under false colors, to which the *Democracy* sharply replies that the days of Albany Argus Democracy were long since numbered, and insists that "to enslave men is not Democratic—for white men to turn into negro dogs and hunt down fugitive blacks in the free fields of the North, is not Democratic—to extend Slavery over a territory where it has not acquired a foothold is not Democratic—to tolerate it on soil where the Federal Government has power to abolish it, is not Democratic—to license and fortify the business of turning sober men into drunkards, paupers and criminals, is not Democratic." Most true.

Nominee for Dist. Attorney in Rock Co.

S. J. Todd, of Beloit, the Republican candidate for District Attorney, nominated on the 12th inst., is U. S. Commissioner, under the Fugitive Slave Law, appointed April 28, 1854, and on the 20 day of May last took an oath that he would "faithfully and impartially discharge the duties of a Commissioner of the District Court of the United States, and for the State of Wisconsin," the chief duties of which are nigger catching. We should wait to think twice before voting for such a man. For he sought and accepted the office when the State was alive with indignation at the Glover arrest, and can possibly have no extenuating plea.

Is Slavery better than Freedom?

Did ever an Anti-Slavery man discuss the slavery question, in any of its forms, with a northern apologist, when the latter did not, as a last resort, declare that the "niggers were better off than the poor white people of the north"? And in the Nebraska discussion, the pro-slavery Douglasites contend that slavery is not going to Kansas and Nebraska, and quote northern emigrants to prove that the southerners will be outnumbered. No thanks to them for this result, for they have done all they co'd to let slavery in—they repealed the restriction against it. Well, after having shown them that slavery was not in Kansas before the law passed, and now is there, then they begin to harp on the old string—"niggers are better off where they are," &c. It is not necessary, at this late day to discuss this point, much less profitable. The instincts of nature teach that freedom is a better condition than slavery, better for the enslaved and better for the tyrant. The experiment has been thoroughly and practically tested in this country, that a state is more prosperous with free than with slave institutions. Narrow minded men talk of sectional strife and sectional animosities. Call upon the people to bury these for the sake of union. This is all a false view of the matter. The *strife* is not sectional. The strife in this country is between two great Institutions—one is Bondage and the other Freedom. This strife is natural and eternal. It will cease only with the extinction of one of these mighty elements. Who doubts the result. Slavery, in this country, was established for its profits to the slaveholder, but how mistaken has been the policy, when we calculate the results to states and communities.—Aside from the social and moral degradation which the institution of slavery must ever carry with it, its blight upon the soil it touches is no less unprofitable and ruinous.

In looking over tables of statistics we find the following significant, and, to the slave States alarming state of facts, in a comparison of the workings of the two institutions in New York and Virginia. New York has more than three-fifths of her soil in improved farms, while Virginia has less than two-fifths. If Virginia had as much of her soil improved in proportion to the whole as New York, it would amount to within a fraction of 17½ millions of acres, while the actual number is only 10,361,000, a difference of more than than 7 millions of acres of unbroken wilderness,—an extent of territory equal to two entire States as large as Massachusetts, which slavery has left wild and barren, but which, in New York is wrought into cultivated and productive farms.

2d. In relation to the cash value of farms in the two States respectively.

Cash value in New York,........$544,546,642
Equal to $44,75 ℘ acre.
Cash value in Virginia,..........$516,401,441
Less than $21 ℘ acre.

Here then is a dead loss to Virginia of more than seven millions of acres in the extent of her improved lands, and about $24,00 on every acre in its cash value.

If Virginia had the due proportion of her soil improved, and it were valued the same as in New York, the cash value of her improved farms would amount to 780 millions of dollars, while the actual value is but 216 1-2 millions,—making a difference between what she actually is worth and what she might have been under the free system, of 564 millions of dollars. There is then in this single State and in the single item of her improved lands, a dead loss of 564 millions of dollars.

And this is but its relation to the soil. But when we remember the difference in culture and education; the difference in morals; the difference in manufactures and the arts and sciences; the difference in commerce and navigation; when we remember the difference in all these, who can doubt that FREEDOM is better than SLAVERY.

In the 8th District there seems to be a scrub race, at least among the Nebraskaites.

The Republicans appear to be uniting upon their best and most popular men for the Legislature, for the purpose of preventing the election of another doughface or traitor to the U. S. Senate of the Douglas ilk.

JOHN B. MACY.—We cannot doubt that this man has made attempts to buy up the support of some of the bolting newspapers in his District. It is currently reported that he has $12,000, which he intends to spend to procure his election. The hint contained in the following article is sufficiently plain to convince us that the rumors of corruption are not unfounded. It is from the *Columbus Reporter*, (Democratic.)

"Macy is charged with having a large amount of money, by the use of which he expects to force himself on the people of this District.—*We have reason to believe this charge!* and any one interested need not doubt our assertion."

The Indictment of "the Balance."

The indictment of the State officers, for the fraudulent sale of School Lands, promises to increase the harmony and loving kindness which exists among the ranks of the opposition. The *Argus* is in a towering passion at the action of the grand jury, and ascribes the indictment solely to the malice of H. A. TENNEY, the foreman. It also exhibits an ignorance of affairs of which, if not assumed as the only mode of attacking the jury, the merest school boy should be ashamed, in charging J. T. MARSTON with having packed the jury. The inference is that he selected the jury with especial reference to their action in this matter. Mr. M. was chairman of the Board of Supervisors of this town, last year, and as such had no more voice in selecting the jury than any other one of some thirty or more similar officials. Moreover, admitting that he selected the jury as charged, nothing short of the gift of "second-sight" which we supposed was accorded to Scotchmen alone, could have enabled him to foresee the school land swindle several months prior to perpetration. It is true that if the jury were selected after the election last year, or after the session of the democratic state convention which nominated our present officers, it required no extraordinary prescience to know that corruption and selfishness would riot in the capitol for the ensuing two years. A preparation should therefore have been made for it. It was the part of wisdom; but we believe that no one anticipated a fraud so atrocious and glaring as the one in question seems to be; and Jerry Marston never could have foreseen the contingency which has happened.

We publish a list of the grand jurors* to which we invite attention. We do not believe that these men have all wilfully perjured themselves as is intimated by our neighbor. The only member of the jury regularly chosen from this town is Mr. Tenney. Messrs Cannon, McAvoy and Larkin were selected by the Sheriff to fill vacancies caused by the non-attendance of those originally chosen.

We believe this jury as fair a body of men as are usually found acting in such a capacity; and we think that the attempt to forestall public opinion, and create prejudices against the jury is in decidedly bad taste when made by the organ of the State officers. Its defence exhibits so much nervousness and bad temper, that it will be likely to prove of far more injury than benefit to the officers, and will tend to confirm the public in their suspicions.—*Madison Journal.*

*The following is a list of the Grand Jury at the present term of the Circuit Court:

George Johnson, E. G. Roberts, H. A. Tenney, Warren Gammons, John T. Bennett, John Collins, S. W Field, Walter Dick, Caleb Jewett, Daniel Larkin, Robert S. Barrington, H. M. Warner, David Thomas, R. A. Pierce, Lucius Cannon, J. H. McAvoy, Garrett Foster, E. C. Main.

The Prospect.

The aspect of the political horizon was never brighter as we gaze over the fields of Indiana, Ohio and Pennsylvania. The complete rout of Douglas, Pierce, Cushing, and the Administration in these States is nothing less than a Waterloo defeat, and if they do not soon shout "for night or Blucher to come" it is only because they feel that neither night nor Blucher can save them. It really seems that if Pierce, Douglas and Cushing had sat in deliberate solemn conclave to discuss the surest and quickest means of "crushing" out the old hunker party, they could not have hit upon a better plan for the accomplishment of this purpose. On every side comes up the wails of the Nebraska allies who fought long and successfully for this object in Congress. Thus far have they all been laid out for a grave beneath the blast of the resurrection trump. Such a lesson was doubtless needed to teach the slaveholders and doughfaces that they were not omnipotent. From the manner in which they have rioted in Congress, and triumphed with every measure that they have attempted, one could not but see, that they thought they sat as gods and could not be disturbed forever. This lesson, while it may be salutary to the hunkers, and was the only thing needed to show them that the people were greater than their party, may prove injurious to the interests of freedom, if its friends, who are hardly yet united, shall hang asunder and claim all airs, honors and offices for their own former party name, and their own selfish purposes. It will be foolish to crow before we are well out of the woods, and suicidal to fight over spoils yet in the hands of the enemy. The party of freedom has its own battles to win under its own generals, and before it can become strong, it must be cemented by the toils and blood of those who shall fall in its ranks. Nothing great or good was ever achieved without all conquering toil. Soldiers cannot well fight together until they are acquainted with each other and learn each other's all absorbing history, then these fight not only for their country but for each other and each other's wives and babes. So in a political war, to be successful, men must know each other, and learn to stand long and true to each other, and the selfish desire of doing battle simply for the spoils should be left to men without heart and without soul, like those who can advocate human slavery, or a bill which would propagate it in our GOD'S free earth.—*Racine Advocate.*

Bolting Macy!

The nomination of Macy is "no go," even with his own party. As near as we can estimate from the information received, there are at least FIVE THOUSAND Democrats in this District who repudiate him. In the counties bordering the Fox river, his supporters would scarcely constitute a corporal's guard. In the lake counties, Macy men and white black birds are equally rare. In the other counties of the District, Fond du Lac, perhaps, excepted, his vote will be more meager than that ever before given to a candidate backed by a Democratic nomination. THE PEOPLE everywhere bolt him, and were it not for the "aid and comfort" given him by "Barstow and the balance," nothing short of an affidavit from him or some intimate friend, after the election, would satisfy the people that he had been a candidate!—*Watertown Chronicle.*

Statement of Capt. Luce.

NEW YORK, Oct. 17.—Capt. Luce arrived home last night. He furnishes numerous additional particulars of interest in regard to the wreck, and affirms that the smallest boat which was taken away by the engineers, could have held more than the number that were saved in the largest boats. The boats, he says, could have safely held 300 persons. He is full of hope that more have been saved from pieces of wreck and taken to England. Those in the missing boats he also believes to be safe.

MACY REPUDIATED!—By reference to the sentiments of the Democratic Press of this Congressional District, it will be seen that the "Crescent" is not alone in repudiating the nomination of John B. Macy. By private advices, from every portion of the District, we are satisfied there never was such a spirit of rebellion in the Democratic camp. It speaks well for the party. Defeat is more honorable, than a victory which breeds and is bred of corruption. —*Appleton Crescent.*

BOLTS HIM.—The Manitowoc *Herald*, comes to us to-day with a fearless renunciation of the nomination of John B. Macy. We publish it in another place.

DECLINES.—T. A. Sheldon, declines the nomination of Treasurer, and Wm. Baldwin that of Coroner, tendered them by the Republicans of Lafayette County.

—The veteran Alexander von Humbolt, celebrated his 85th birthday on the 14th.

The Nominations for Congress.

We last week announced that the Congressional Convention held at Waupun on the 13th inst., nominated John B. Macy. We have not placed his name in the usual place to indicate our acquiescence and support, nor do we intend to—and we shall oppose his election with all the energy and effect of which we are capable. We are aware that a positive and uncompromising rejection of a candidate who claims support under the stamp of conventional endorsement, is assuming a bold position, and one which can only find justification in the existence of a necessity, absolute and irresistible. Nor have we been unmindful of the responsibility imposed as the conductor of a party journal, whose preferences are pre-supposed to be in conformity with party usage.

We hold that the editor of a newspaper has the same right to be influenced by circumstances as individuals—and that it is not only the right, but the prerogative of both, to resist the scheming, subsidizing appliances which a band of speculating demagogues have attempted (and with too much success) to introduce into the conventions of the people. In this Senatorial District, as in others, the delegates were elected by reason of their known hostility to Macy; and, with a single exception, they all voted against him.

Throughout the entire Congressional district, during the past several months, an utter contempt has been expressed for his legislative capacity and influence, and a general and unqualified condemnation of his acts and his antecedents, were paramount to a *demand* for a different nomination. Could the thousand votes of Manitowoc County have been cast in the Convention at Waupun, it is well known that not to exceed five of those votes would have been thrown in favor of the present nominee. To say that it is a nomination "*not fit to be made,*" is but a tame expression of a common indignation. The people entertain a just feeling of resentment, and in this portion of the district, an entire distrust of his ability to render any local benefit, and, from past experience, the fullest assurance this his selfish desire for gain and aggrandizement, will, as heretofore, absorb every consideration of past favors or present obligations. Therefore, we bolt him—and we should be unfaithful to our local interests —unfaithful to the views and principles entertained by the honest and incorruptible democrats of this county—unfaithful to the very tenets which the Convention system is designed to illustrate—were we to do otherwise.—*Manitowoc Herald.*

From the St. Louis Democrat.

Southern Idea of the Elections.

It is good work and well done. We say God speed to every opponent of the swindling administration which disgraces Democracy by professing its principles whilst it makes war upon those principles, and takes such men as Cushing, Atchison and Douglas to its counsels and makes war upon such Democrats as Benton and Houston.—Down with the administration which in open and shameless violation of its pledges and the platform upon which it was carried into power, has once more opened the slavery agitation for the purpose of giving nullification a pretext to dissolve the Union. Down with it for its violation of the national faith. Down with it for its hostility to the West, evidenced by the veto of the bill for the improvement of western rivers and harbors, and which interprets the constitution as permitting the purchase of foreign soil for a railroad track outside of the Union and for the convenience of the southern half of the Union after its dissolution, but can find it in no sanction for improving the great channels of commerce already ours and common to the whole country, or for building a railroad upon our own territory, central to the whole Union and calculated to bind it together in the indissoluble bonds of interest and friendship.

'Wilmot's District.'

The XIVth District of Pennsylvania, from which Galusha A. Grow (Anti-Nebraska) has just been re-elected without opposition, was formerly represented by David Wilmot, who offered the famous Proviso in 1847. Wilmot supported Bigler in '51 and Pierce in '52, but he has washed his hands of the whole concern since the passage of the Nebraska bill, and has canvassed the District thoroughly for Pollock and Freedom. Its vote just cast compares with those of former Elections as follows:

Majorities.

Counties.	1851. *Bigler.*	1852. *Pierce.*	1854. *Pollock.*
Bradford..........	38	404	1,000
Susquehanna.....	664	1,011	800
Tioga.............	573	1,040	800
Total.........	1,205	2,465	2,600

Gain on Pierce's vote for Pollock, **5,065.**

We think that it is as much as could have been reasonably expected from one District.—*N. Y. Tribune.*

Boiler Burst.—From Capt. Kehoe of the propeller R. H. Foss, we learn that on Saturday afternoon last, the boiler in Newell's new steam mill at Muskegon, exploded with terrific violence, forcing its way through an 18 inch brick wall, at the rear of the building, and landing in the lake a distance of 480 feet. There were over 25 hands at work in the mill at the time of the accident. Fortunately no one was seriously injured, which could not have been said had the boiler taken any other direction. The damage to the mill is said to be considerable.—*Chicago Jour.*

By the Governor of the State of Wisconsin.

Respect for a worthy and time-honored custom—the [illegible] upon the people of this State [illegible] health, peace and happiness enjoyed—[illegible] reward so bountifully bestowed upon the husbandman by a superabundant harvest, and the signal success which has characterized every laudable calling during the past year, demand that we should, as individuals and a people, express in a befitting manner our gratitude to that Being who has thus plentifully vouchsafed these blessings.

Therefore, I, WILLIAM A. BARSTOW, Governor of the State of Wisconsin, do hereby designate and recommend [illegible] Thursday, the twenty third day of November next, [illegible] observed by all citizens of this State, as a day of thanksgiving. And I do further respectfully recommend [illegible] of the various denominations invite their respective congregations to assemble on that day, at their usual places of worship, for the purpose of uniting in praise and thanksgiving.

In witness whereof, I have hereunto subscribed my name, and caused the Great Seal of the State of Wisconsin to be affixed. Done at Madison, this 11th day of October, in the year of our Lord One Thousand Eight Hundred and Fifty-four.

ITALIAN OPERA.—We call particular attention to the advertisement of Madame De Vries. This will be one of the most attractive entertainments of the season. The sale of choice seats takes place to-morrow morning, at A. B. Van Cott's and Hempsted's Music Store.

The selections for this entertainment will be taken from the opera of Lucretia Borgia, *Costa Diva* from Norma. Don Giovanni and the aria from Nelus. *Der Freischütz*, the English Ballad of Home Sweet Home and the Third act of Bellini's beautiful opera of La Somnambula in which she will sing the beautiful finale *Ah! non Giunge!* Signor Martin Lazaer, and signor Pasarilli in a brilliant selection of pieces.

LIFE ILLUSTRATED—Is the title of Fowlers & Wells' new paper. We have received the first number, and confess it to be one of the handsomest sheets we ever saw. It is, withall, a readable paper—eminently practical and useful. Life would be better illustrated if everybody would read such a paper.

MARINE.—The str. *Globe* cleared for Buffalo last evening, with 2,760 bush. potatoes and 76 bbls. flour. The sch. *D. Newhall* also cleared for that port yesterday, with 8,200 bush. wheat.

BY a notice in another column, it will be seen that the Republicans of the First Ward are to nominate a candidate for the Assembly at their caucus to-morrow evening.

THE October term of the Circuit Court, Judge M. M. Cothren, of Mineral Point, presiding, commenced its session at Racine on Monday. We understand that the case of Cramer and Noonan—or one of their cases—is to be tried at this session.

WE are indebted to Mr. R. W. PARKER for a boquet of beautiful flowers, the first cut from his new green-house.

THE Local Editor is sick to-day, which accounts for the absence of local matter, in our columns.

Police Court.

E. G. Ryan plead guilty to an assault and battery upon A. Thomas, and was fined $20 and costs.

FAILURE.—We learn that the Kentucky Trust company and Newport Safety Fund, Ky., have failed.

UNFOUNDED.—The rumor that 30 or 40 of the passengers of the *Arctic* had arrived in Rhode Island, is entirely unfounded.

ANTHONY BURNS, the fugitive slave whom the Boston people sent back, lies sick of typhoid fever, in one of the loathsome jails of Virginia, a martyr to the avarice of New England traders, and administration flunkies.

GLAD TO SEE IT.—The Madison Journal is publishing the great speech of *Charles Sumner* at the Worcester (Mass.) Republican Convention.

WHERE WAS HE BORN.—The New York press are having rather a laughable controversy about the birthplace of Ullman, the Know-Nothing candidate for Governor. The Albany *Knickerbocker* asserts that his parents were *French Catholics*, and that Ullman was born and spent his youth in India. Ullman on the other hand asserts that he was born in Delaware.—May-be he "never was born," but "growed."

ENTIRELY A WRECK.—We learn from the Chicago *Journal* that the schooner Nautilus, which sunk off the foot of Lake street on the morning of the 4th inst. having pounded badly upon the bar in attempting to make the river, will prove almost a total loss, her hull abaft the mainmast being much broken up and her stern frame entirely gone.—She was loaded with salt, and both vessel and cargo were fully insured in the Mutuals of Chicago, Milwaukee and Buffalo.

CORRESPONDENCE.

MILWAUKEE, Oct. 12, 1854.

A. A. GRIFFITH, ESQ.,—

Dear Sir: Wishing to manifest our appreciation of your attainments as an elocutionist, and to offer our thanks for the excellent readings and recitations with which you entertained us on Tuesday evening and to express the wish that you will give scientific readings again, publicly, at such time and place as shall suit your convenience, that many, who had not the pleasure of listening to you, may be gratified, and that a taste for the beautiful science of elocution may be cultivated in our city, we present this call to you, with the assurance that, should you comply with our request, we will use our best endeavors to give you a full house and a handsome benefit. Yours very respectfully,

J. B. SMITH,	W. L. CANDEE,

HAVEN POWERS,	R. O. KELLOGG,
J. F. McMULLEN,	J. H. DAWES,

P. C. WHITTEMORE.

MILWAUKEE, Oct. 17, 1854.

GENTS: Your favor of the 12th inst., containing an expression of opinion in regard to Scientific Readings, recently given by myself, preparatory to the organization of a class in elocution, and a request that I read again publicly, is before me.

In reply I would say that I feel very gratified for the compliment, but am more gratified to see what an interest is felt in this beautiful accomplishment and important branch of education, and as it was my intention to read occasionally before the class during the course, I will do so publicly, at your request, at Young's Hall, on Saturday evening, Oct. 21.

I respectfully decline your generous offer of a benefit, and invite you and all interested to be present at that time.

Very truly your ob't sev't,
A. A. GRIFFITH.

To Messrs. SMITH, BAKER, WORTHINGTON, HATCH and others.

The Easterbrook Murder in St. Joseph County, Michigan.

The Jury, in the case *People vs. Amos White*, indicted with *Samuel Ulum*, for the murder of Thomas B. Easterbrook, after being out four hours brought in a verdict of *Guilty* last Tuesday. Sentence—State Prison for life. An effort will be made to have a change of venue for the trial of *Ulum* on the 13th of November, so as to try it in Cold-water.

Easterbrook was the man who came on to Leonidas, last November, from Vermont, with the intention of marrying a Miss Wood, near Mendon, and who disappeared mysteriously, on the 13th November last. The evidence was mainly, that given by one Giles Harding, who acknowledged himself an accomplice in the murder.

There is much mystery about the transaction, which even this trial has failed to clear up. The case commenced September 28th, and continued, with but one day's intermission, to October 13th. The number of witnesses examined was 109.

Sales of Real Estate.

Thos. G. Eggleston sold lot 4, in block 5, in Cutler's addition to this village, for $400.

John Gregory sold 80 acres, in section 34, in New Berlin, for $800.

Wm. Smerden sold 56 acres, in section 18, in Pewaukee, for $600.

Wm. D. Curtis sold 110 acres, in section 27, in Merton, for $1,750.

Wm. Markoe sold 260 acres, in sections 13 and 14, in Summit, for $5,640.

Absalom Minor sold 35 acres, in section 12, in this town, for $700.

Louis Wunderlich sold 80 acres, in section 7, in Muskego, for $750.

Patrick Martin sold 40 acres, in section 20, in Menomonee, for $450.—*Waukesha Plaindealer.*

COUNTERFEITERS ARRESTED—LARGE HAUL.—Officer Cutler arrested a man named J. W. Anderson upon suspicion of his being a counterfeiter. The police had been informed that Anderson had been at several banks exhibiting a large quantity of counterfeit money, inquiring if it was good, and attempting to pass some of it, and were accordingly soon on his track. He was taken at the cars of the M. S. R. R. just before the departure of a train. He was brought to the Mayor's office and $3,604 in $100 bills on the Bank of North Carolina was found on his person. He declared that he had received it in a trade and gave the name of the other party as Jones. He betrayed but little confusion at his arrest, and is a man of respectable and even gentlemanly appearance.

Two other culprits were secured yesterday by officers Beuton and Rehmus who had been driving quite an extensive business in horse trading by the aid of bogus gold coin and counterfeit bank bills. They are a portion of a gang, of which the rest have escaped the officers here, probably only to fall into the clutches of the law elsewhere; sooner or later that is the criminal's fate.—*Chicago Dem. Press.*

Let our vigilant officers be on the look-out for these fellows.

Melancholy Occurrence—Four Men Drowned.—It will be remembered that during the gale of week before last the schooner Roanoke. Capt. James Kilbright, of this port for Muskegon, for lumber, was driven ashore south of the river at that place, as we at that time stated, where she has since lain. On Saturday towards dusk, on the arrival at Muskegon of the propeller *R. M. Foss*, from this city, the propeller took in tow a yawl boat containing Capt. Kilbright and six of his crew, with anchors, chains, &c., to repair the Roanoke, for the purpose of getting her off. By some unlucky accident the yawl capsized or run under on the passage, and the captain and three of the hands were drowned. Capt. Kehoo and his crew succeeded in saving the mate and two of the sailors. Capt. K. was about 45 years old, originally from the north of Ireland, and for four years past a resident of this city. His wife is now at Muskegon.—*Chicago Journal.*

NEW YORK.—The following is the municipal Reform ticket for the city of New York;

Mayor, Wilson G. Hunt; Surrogate, Alexander W. Bradford; Recorder Francis R. Tillou; City Judge, Welcome R. Beebe; Commiss'r streets and Lamps, Sylvanus Gedney; Governor of Almshouse, Daniel F. Tiemann; District Attorney, A. Oakey Hall.

SAD ACCIDENT.—As a gentleman by the name of Small was coming off the *Arctic* on Sunday last, he was badly wounded by being shot in the ancle. The gun was in the hands of a man who was playing with it, and ought to have known better than to indulge in such dangerous pastime. When will men learn to let loaded guns alone?—*Racine Advocate.*

Fatal Accident.—A fatal accident occurred in the town of Maple Grove, on Thursday of last week, by which a man named Patrick Burns was so badley injured that he died in 6 hours. He was assisting a neighbor in raising a house, when something gave way, and one of the timbers struck him on the temple, causing his death as above.—*Manitowoc Herald.*

ST. DOMINGO—*Is it Black or White?*—There is, at the present time, an evident effort being made to cement a connection between this country and the republic of St. Domingo. The design is, indeed, not only now commenced. It has long been entertained, and for some time exertions have been made to prosecute it to a result. But it would appear, at this moment, to be progressing more in accordance with the hopes of those who have been urging it, than for some time it promised ever to do.

We believe that no statesman, even of the new world, of any real profoundness of acumen, now doubts that it is anything more than a question of time and manner, as to the bringing of the whole of the West Indies under the government of this continent. Certainly we do not, and as certainly, we believe we can say, no American statesman can. And we believe the time to be rapidly approaching, too, in which that result is to commence to manifest its advent, by the annexation of the more important islands.

It behooves, us, however, carefully to examine every step taken in that direction, and not to plunge rashly and injuriously towards our object. Incongruous elements must not be introduced—cannot be introduced except by gross treachery—into our institutions. Is there any possibility of that being done, should the progress toward the annexation of Santa Domingo be imprudently or treacherously hastened?

Undoubtedly there is. Santa Domingo is as truly a negro republic as Hayti is a negro empire. The majority of its inhabitants are negroes, in the strictest acceptation of the term, and all of them are, more or less, of mixed blood. A few whites there may be amongst them, but only a few; indeed, the exceptions are barely enough to prove the rules. And how shall any political connection be formed by the United States with such a government or community? Even the most fanatical of northern abolitionists, we should imagine, could scarcely hope, either by force or fraud, to cause it to be formed. And yet we can see no other object which the actors in the present movement can possibly contemplate. At all events, the probability of its being so is so great, that we cannot think the few observations we have made on the subject either misplaced or unseasonable.—*N. O. Picayune.*

New York Market.

NEW YORK, Oct. 17.—Flour—market for common grades dull and lower, while better grades more doing, and market firmer. Sales 5000 bbls., 7,75 a 8,00 for inferior state; 8,00 a 8,37 for common to straight state and favorite; 8,37 a 8,63 for common to good Ohio and mixed to fancy Michigan, 8,62 a 9 for extra Michigan.

Grain—Wheat, Genesee held at 2,26; sales 1000 bus, com. red Southern at 1,55.

Rye—sales 5000 bus, 1,12 delivered.

Barley—nominal, 1,11 a 1,17.

Corn—no change; sales 13000 bu at 79 a 80 for good to prime Western mixed; closing steady with disposition to sell inferior parcels.

Provisions—Pork continues heavy and the tendency downward. moderate sales are reported at 12,12½ a 12,25 for mess; 11,37 a 11,44 for prime.

Buffalo Market.

BUFFALO Oct. 17.—The market this morning is very quiet and but little disposition was apparent to operate in flour; holders are desirous to realize; but buyers do not meet their views. Sales are 3000 bbls at 7,75 a 8.00 for good to choice and favorite brands Ohio, Michigan, Illinois and extra Iowa.

Grain—there is nothing doing in wheat.

Corn continues dull and depressed; buyers are not anxious to operate; sales 7000 bush at 64, holders ask 65.

Oats quiet—sales 8000 bush at 44.

WASHINGTON, Oct. 12.—Old Bullion is in ecstacies at the result of the recent elections, and rejoices especially over the re-election of Mace, and the signal overthrow of the impartial Chairman, Olds. He thinks the Nebraska iniquity is not popular either in the Great Valley or in the country. His language is, "It is n't popular, Sir, I thought so in the beginning, Sir. My opinion is confirmed, Sir. It is n't popular. The voice of the people must be obeyed. It must be bowed to, Sir."—*Cor. N. Y. Tribune.*

BOSTON, Oct. 17.—In some parts of Worcester County, yesterday, two or three inches of snow fell, and in many localities of New Hampshire, snow fell freely on Sunday.

We call the attention to the card of J. F. BIRCHARD, of Milwaukee. Mr. B. is one of the oldest dealers in the State, in Furniture, &c., and has a stock that can hardly be surpassed for beauty and extensiveness, in the western country. He has a variety of the richest and most beautiful patterns, among which we were shown a bedsted of carved rosewood for the moderate price of $600. All the materials used by manufacturers are kept at the above establishment.—*Manitowoc Herald.*

CLAP-BOARDS were originally called "clove boards" because they were "cloven" out by hand, instead of being made with a saw as other boards. In process of time they were called cloboards, claboards—clapboards.

THE people in Oregon seem perfectly enthusiastic about their climate. They say their hills are clothed in a livery of everlasting green, presenting almost a uniform appearance winter and summer.

THE French say, "A wise man thinks before he speaks, but a fool after he has spoken."

THE man who was charged with electricity, has been acquitted.

GERMAN REFORM PAPER.

☞ From the 7th of October, 1854, will be published at Milwaukee, "DER CORSAR," (THE CORSAIR,) a Weekly Paper, established to forward political reforms, edited by BERNHARD DOMSCHKE, with Mr. L. WITTIG as a regular contributor.

The "CORSAR," will adhere to the principles set down in the Madison Platform of the 13th of July, 1854, and be, of course, opposed to those parties who like to have stagnancy instead of reform, and Slavery instead of Freedom. All those who take a warm interest in the contest against the reactionary parties and the demagogues, who take the lead of them, and in the realization of genuine Republican Principles, are invited to subscribe to the "CORSAR."

The "CORSAR" will be published every Saturday, at the price of $2,00 per year, payable in advance every six months. Since the "CORSAR," will be propagated within the State of Wisconsin, as well as abroad, it is well adapted to advertisements, which will be inserted at the usual rate.

CHAS. H. WILLIAMS, Administrator, with the Will annexed of the Estate of Nicajah T. Williams, deceased.
Milwaukee Aug 29, 1854. aug31dtd

This is the state of Man: To-day he puts forth the tender leaves of hope—to-morrow blossoms, and bears his blushing honors thick upon him—the third day comes a frost, a killing frost, and then—he needs a STOVE!

AS THE SEASON IS FAST APPROACHING WHEN something stronger than stimulants will be required to keep us warm, it behooves every one, not already well supplied, to be looking around for their Winter *fixins.*—It is to those who are not well prepared for the coming cold weather, and particularly to those residing in the First and Second Wards, who think the GREAT WESTERN STOVE STORE a long way down the street, that I wish here to address myself. It is true, my location is a little further down than some of my neighbors; but a glance at my well-filled show rooms and my extensive and very superior assortment of Stoves, (never mentioning the very low price at which they are sold), will richly compensate any one for their extra toil and trouble.

I can truly say, I keep the largest, most ample and best assortment of all kinds of Stoves, from a Flat Iron Heater to a Hotel Cooking Stove, ever brought to this market. I have now on hand, of Cook, Parlor and Box, more than

10,000 STOVES!

All of which with as many more, I expect to sell before another Spring, not at a sacrifice, but at prices extremely low. Among my Cooking Stoves, I have the celebrated King of Stoves, a Stove I will warrant to do more cooking in a shorter time and with less fuel than anything that bears the name of Stove. My assortment of Air-Tight and Premium, as also that of Parlor and Box, adapted to the use of either Wood, Coal or Coke, is very large and complete, and if my up-town friends care to save a dollar or two, they will call upon me before purchasing.

A Coroner, in place of Egbert Mosely.

The following proposed Amendments to the Constitution of the State are to be submitted to the people at such election, to wit:

Amend Section 4 of Article 4, so as to read as follows: "The members of Assembly shall be chosen biennially, by single districts, on the Tuesday next succeeding the first Monday of November, by the qualified electors of the several districts, such districts to be bounded by county, precinct, town or ward lines, to consist of contiguous territory, and to be in as compact a form as practicable."

Amend last clause of Section 5 of the same Article, so as to read as follows: "The Senate districts shall be numbered in regular series. The Senators chosen by the present odd numbered districts, in the year 1854, shall hold their offices until the last day of December, 1856. The Senators chosen by the present even numbered districts, in the year 1855, shall hold their offices until the last day of December, 1858. Thereafter Senators shall be chosen for the term of four years, but the legislature at any new apportionment shall so classify the Senators to be elected from any additional Senate district which may be formed that the term of office of all Senators elected from even numbered districts shall expire at the same time, and the term of office of all those elected from odd numbered districts shall expire at the same time."

Amend Section 11 to read as follows: "The Legislature shall meet at the seat of government once in two years, and not oftener, unless convened by the Governor."

Each elector may vote for or against the first of the above named amendments by depositing a ballot containing the following words: "For amendment to section four," or "Against amendment to section four;" and for or against the second of the above amendments by depositing a ballot containing the words, "For amendment to section five," or "Against amendment to section five;" and for or against the third of the above amendments by depositing a ballot containing the words, "For amendment to section eleven," or "Against amendment to section eleven." The votes given by any elector for or against any or all of said amendments shall be on one ballot, and to be deposited in a separate box prepared for the purpose. The qualifications of the electors to be the same, and the votes canvassed and returned in the same manner as in election for State officers. (jy28) H. L. PAGE, Sheriff Milwaukee Co.
